PERAFOAM™

Foam Additive
Product of the USA

Conseils de prudence :

Porter des gants de protection, des vêtements de protection, un appareil de protection des yeux et du visage. Se laver soigneusement les mains après manipulation

Ne pas manger, boire ou fumer lors de l'utilisation de ce produit
Élimination : Éliminer le contenu/contenant conformément à la réglementation locale

Pour les installations alimentaires et autres usages industriels uniquement

Premiers soins

EN CAS DE CONTACT OCULAIRE : Rincer soigneusement à l'eau pendant plusieurs minutes.

Enlever les lentilles de contact si portées et faciles de le faire. Continuer de rincer. Appeler immédiatement un CENTRE ANTIPOISON ou un médecin.

EN CAS D'INGESTION : Rincer la bouche. NE PAS provoquer de vomissement. Appeler un CENTRE ANTIPOISON ou un médecin en cas de malaise.

EN CAS DE CONTACT AVEC LA PEAU : Laver abondamment à l'eau et au savon. Appeler un CENTRE ANTIPOISON ou un médecin en cas de malaise. En cas d'irritation cutanée : Rechercher un avis ou de l'aide médicale. Enlever les vêtements contaminés et les laver avant de les réutiliser. Pour plus d'informations, veuillez consulter la fiche signalétique du produit.

Precautionary Statements:

Wear protective gloves/protective clothing/eye protection/face protection
Wash hands thoroughly after handling

Do not eat, drink or smoke when using this product

Disposal: Dispose of contents/container in accordance with local regulations
For food plant and other industrial use only

First Aid

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

IF ON SKIN: Wash with plenty of soap and water. Call a POISON CENTER or doctor/physician if you feel unwell. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

For complete information, please consult product SDS.

For complete information, please consult product SDS.

This product is an outstanding foam booster additive for many types of solutions. It has very stable, long-lasting foam characteristics. This product contains only food-grade ingredients and is used as a cleaner in conjunction with Perasan B in accordance with the directions for use, does not need a rinse prior to start-up. This product may be used as a general-purpose foam additive for other types of uses, but a potable water rinse on food and beverage processing equipment is required if used with any product other than Perasan B.

Directions For Use

For Use With PERASAN B as a cleaner:

Manually or mechanically blend 177-354 fl. ml of this product to 23 L of water. The dilution water may be ambient up to 65.5° C. For food contact surfaces, add 30-180 fl. ml of PERASAN B. Add this blend through a conventional foam generating device (foamer) and adjust settings to obtain the desired foam characteristics. It is preferable to leave the foam product on equipment as long as possible before rinsing, but a potable rinse is not required. If used for Organic Production, a sanitizing rinse is required.

General Foam Additive Uses:

Manually or mechanically blend 118-710 fl. ml of this product to 23 L of water (18-118 fl. ml per gal) and then add the 2nd product of choice to the solution and mix thoroughly. Apply through a conventional foam generating device (foamer) and adjust settings to obtain the desired foam characteristics
