PERASAN® ¹A (Antimicrobial Solution) (Peroxyacetic acid) is a penetrative, biocidal agent specifically formulated for the following uses:

- Food Contact Surfaces: In Quesitos, Ministras, Greasted, Fruit and Grilled Chicken Parts, Pasta and Egg Facility, and Animal Housing.
- Meat, Poultry, Seafood, Dairy, Fruit, Nuts, and Vegetables.
- Sanitizing Food Contact Surfaces.
- Sanitizing Food Processor Equipment.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Equipment Surfaces Using Conventional Foam Application.
- Sanitizing Meat and Poultry Drinking Water Lines.
- Sanitizing Meat Processing Facilities for Antimicrobial Use.
- Sanitizing Food Processing Areas and Equipment.
- Sanitizing Food Contact Surfaces of Ingredients and Blocks of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
- Sanitizing Food Contact Surfaces of Process Water Systems.
