

APPLICATIONS

Perafoam™ is a very high foaming concentrate specially designed for use in conjunction with Enviro Tech's peroxyacetic acid sanitizer/disinfectant products, such as **Perasan® A**. It is liquid and is easily dispensed at temperatures as low as 35 °F (2 °C). **Perafoam™** is hard water tolerant and stable to oxidizers. Its long-lasting foam and surfactant package allows for longer contact on equipment and vertical surfaces than conventional methods. This results in superior sanitation and greater efficacy of peroxyacetic acid products.

PROPERTIES

Perafoam™ uses only FDA-approved GRAS status ingredients and can be utilized in federally inspected meat, poultry, and seafood plants. No rinse is required if used at the recommended dose rates.

PHYSICAL PROPERTIES

Color	Colorless, clear
Scent	Mild soap odor
Specific gravity (at 20 °C)	1.05
Refractive Index (% Brix)	18.00-20.00
Density (lbs/gal.)	8.76
pH (1%)	7.0-8.0
Viscosity (at 20 °C)	35-55 cSt

DIRECTIONS FOR USE

For Use With Perasan® A as a Cleaner:

Manually or mechanically blend 6 fl. oz. of this product to 6 gal of water. The dilution water may be ambient up to 150° F. For food contact surfaces, add 1.0-2.4 fl. oz. of **Perasan® A**. Add this blend through a conventional foam generating device (foamer) and adjust settings to obtain the desired foam characteristics. It is preferable to leave the foam product on equipment as long as possible before rinsing, but a potable rinse is not required. If used for Organic Production, a sanitizing rinse is required

General Foam Additive Uses:

Manually or mechanically blend 4-24 fl. oz. of this product to 6 gal of water (0.6-4 fl oz per gal) and then add the 2nd product of choice to the solution and mix thoroughly. Apply through a conventional foam generating device and adjust foam to desired characteristics.

IMPORTANT

Read and understand label and Safety Data Sheet (SDS) for complete listing of hazards, precautions, first aid statements, and storage and handling information. SDS Sheets are available from the distributor of this product. 24-Hour Emergency Response Line 1-800-255-3924.
