animal health

# MINDFUL PRODUCT CHOICES LEAD TO IMPROVED BIOSECURITY AND C&D OUTCOMES.

Enviro Tech, an Arxada company, is a global leader in developing and delivering exclusive formulas for efficient farm premise cleaning, sanitizing, and disinfecting.

To ensure optimal biosecurity measures on swine, poultry, or dairy farms, it is essential to implement mindful cleaning and disinfection protocols, utilize advanced solutions, and follow industry best practices. Discover our range of animal biosecurity products tailored to meet your specific needs.

“With our extensive expertise and experience in a broad range of applications, we are at the forefront of developing and supplying essential products that play a vital role in safeguarding animal well-being and fostering sustainable food production.”

# PRODUCTS SIZE

## Available Pack Sizes:

# WATER TREATMENT

Our proprietary water treatment formulations help improve the taste and quality of animal drinking water, ensuring this essential nutrient remains clean and bacteria free.

## SURECIDE AH<sup>®</sup>

Product code: 83

**SureCide AH** is an EPA-approved food grade chlorine dioxide precursor for controlling odor and non-pathogenic organisms in livestock drinking water. **SureCide AH** is NSF certified and OMRI approved for organic operations.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Pail	5	43.90	36
5 gallon Jug	5	43.90	36
15 gallon Drum	15	131	9
30 gallon Drum	30	263	5
55 gallon Drum	55	482	4
330 gallon Tote	320	2809	1

## GENERATOR AH

Product code: 6506

**Generator AH** is a premium blend of organic acid used to reduce the pH in livestock drinking water and for chlorine dioxide generation.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Pail	5	55	36
15 gallon Drum	14	155	9
30 gallon Drum	29	315	5
55 gallon Drum	54	594	4
330 gallon Tote	300	3300	1

# WATER TREATMENT

## REGULATOR

Product code: 6509

**Regulator** is a carbon-free acid blend used for chlorine dioxide generation and pH reduction additive for livestock drinking water.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Pail	5	45	36
15 gallon Drum	14	125	9
55 gallon Drum	54	490	4
330 gallon Tote	300	2720	1

## ACIVATE-O

Product code: 6508

**Acivate-O** is an acid blend used for chlorine dioxide generation and pre-slaughter water acidification. **Acivate-O** is OMRI certified for organic production operations.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Pail	5	50	36
15 gallon Drum	14	150	9
55 gallon Drum	54	580	4
330 gallon Tote	300	3230	1

# WATER LINE CLEANING AND DISINFECTION

Clean drinker lines that are free from scale and biocontaminates help ensure high-quality water is delivered to livestock. Our portfolio of water line cleaners and disinfectants help to achieve the best delivery of quality drinking water to boost consumption and performance.

## PROMAX<sup>®</sup>

Product code: 6507

**ProMax<sup>®</sup>** is a powerful water line cleaner that uses hydrogen peroxide. Its unique blend allows it to be used at the end of a flock to flush out drinker lines, or while animals are present to keep the drinker line scale-free.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
2.5 gallon Jug	2.4	24	75
5 gallon Pail	5	49	36
55 gallon Drum	53	520	4

## PERASAN<sup>®</sup> A

Product code: 35

**Perasan<sup>®</sup> A** is an EPA registered, peracetic acid blend. **Perasan<sup>®</sup> A** can be used to cleaner water lines in between animal groups or to run continuously to sanitize hatchery rooms with animals present depending on the needs of the operation. **Perasan<sup>®</sup> A** is NSF approved and OMRI certified for organic production.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
2.5 gallon Jug	2.46	23	75
5 gallon Pail	4.81	45	36
5 gallon Jug	4.81	45	36
15 gallon Drum	13.9	130	9
55 gallon Drum	54	270	4
330 gallon Tote	320	2990	1

# FOOT PAN BIOSECURITY

Eliminating cross-contamination in high traffic areas helps guard the entire farm premise against pathogen challenges such as Avian Influenza and more.

## PERAGUARD® AH

Product code: 20

**PeraGuard® AH** is an EPA registered, dry granular peracetic acid chemistry approved for use as a foot pan disinfectant. PeraGuard AH is activated by moisture present in the environment and will last longer than other dry and wet chemistries. **PeraGuard® AH** is quat and bleach free.

PACK SIZE	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 Gallon Bucket with Lid	40	36
40 lb Bag	40	50
100 lb Bag	100	9
55 Gallon Drum	500	4

# HATCHERY CLEANERS

Our detergents offer the formulations to keep your hatchery and associated equipment sanitized and looking its best.

## TRAY WASH XD

Product code: 567

Tray Wash XD is a chlorinated, low foaming detergent utilized in automatic tray wash systems. Tray Wash XD can also be utilized to clean shell and hatching eggs.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
4x1 Gallon Case	4	38.8	36
55 gallon Drum	55	530	4

## FOAM CHLOR 50

Product code: 502

Foam Chlor 50 is a chlorinated, foaming detergent utilized in hatcheries and on farm to clean equipment. This alkaline formulation will rapidly clear your surfaces of proteins, fats, and other heavy soils all while whitening and brightening the surface.

V	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Pail	5	46	36
55 gallon Drum	54	510	4

# DAIRY SANITIZERS

Proper hygiene is vital on dairy farms to prevent diseases like Mastitis. We are dedicated to maintaining high hygiene standards and offer premium products for superior cleanliness and production.

## REFLEX™

Product code: 37

**Reflex™** is an acid sanitizer specifically formulated for the dairy industry. It is a unique, no rinse formulation for CIP and COP pipeline, silo, tank and equipment cleaning.

PACK SIZE	FILL VOLUME (gallons)	PACKAGE WEIGHT (lbs)	PALLET QUANTITY
5 gallon Jug	5	50	36
15 gallon Drum	14	140	9
30 gallon Drum	29	290	5
55 gallon Drum	52	520	4
330 gallon Tote	300	3000	1
